What are premium days?

What are premium days?

The News & Observer publishes several premium editions throughout the year. These editions include a special section with content we feel our subscribers will value and are delivered to all subscribers that receive the paper on the day of the week that the premium day occurs. Our premium editions are New Year's Day, President's Day, Memorial Day, June 8, 2014 (US Open) and Labor Day. All home delivery subscribers will be charged an additional \$2.00 on Thanksgiving Day and an additional \$1.00 premium charge on the other premium days. These charges are not included in our subscription prices and will change your expiration date. Subscribers can opt out of the premium content by calling our customer service center at 800-522-4205.
